

IMPORTANT INFORMATION COMPETITIONS

Zielona Góra is a city with 150,000 inhabitants. Our competition is quite a big event in our city. The competition itself will be held at **the CRS Sports and Performance Hall**. It is a hall that has an additional hall for warm-ups. The hall is made up of two zones: 1 for the competitors along with the main floor, and an auditorium that does not have direct access to the main hall. This means that our dancers and coaches will be able to use both zones and the audience will not have access to the competitors' zone. In the common zone will be the competition office along with registration. Also there you will find stores for food, coffee and wrrc.shop. Also in this place will be served lunches that have been ordered by the clubs.

Tickets for the event are available at reduced prices until June 5th. After this date, they will be allowed for general purchase and their price will increase from 10 euros to 15 euros and in VIP sectors from 15 euros to 25 euros. We have prepared this promotional price especially for parents and supporters of the competing dancers. We understand the high cost of trips to previous competitions, so we have offered a promotional price for audience tickets until June 5th.

Very important- Entry to the competitors' zone will be granted to coaches registered in the WRRC system. Those who are not registered will only be allowed in the spectator area.

Our hotels were booked at a negotiated rate. You can get to the hall on foot from two hotels. We will arrange free transfers to the other hotels. Each of our hotel guests will be able to use a transfer. These will be coaches going from Drzonków WOSiR to the CRS Hall. There will be two stops along the way for residents of Qubus and City Boutique Hotel. Also, athletes living in our apartments will be able to use these transfers. We will post the route and stops 7 days before the competition. In Zielona Gora, in addition to taxi, we have BOLT and UBER applications. The cost of a ride from one end of Zielona Gora is really low. It varies between 5-12 euros.

We are writing to you about hotels and transfers because a few weeks ago we found out that there will be a **Hip Hop concert** at our CRS Hall in the parking lot and an estimated 10,000 visitors will attend. The concert will be held on Saturday and access to the parking lot at the hall on June 21,22,23 - will be impossible! The director of the hall has provided us with additional parking for the use of our guests only. However, it will not be a very large parking lot. Therefore, we will organize transfers for you from our hotels. If, anyone has not yet made reservations for hotels, we ask you to hurry because our hotels are already almost full and other hotels in Zielona Góra will be very expensive or unavailable.

For those who dance one day and have another day off.

Dear Coaches, you can schedule days off from competitions for your dancers. There is an aqua park at our CRS hall. As organizers, we buy for you 100 free entry tickets on Saturday and 100 free entry on Sunday.

What does this mean? On June 10th, we will post information about free tickets to the Aqua park. You will be able to sign up and pick one up during registration! The ticket will be free for up to two hours. We count from the time you enter and exit at the ticket counters. For every 12 people, there must be an adult who will also receive free entry.

Please do not sign up if you are not sure if you will take advantage of this. Then, you will lose our other dancers for the opportunity to take advantage of the free ticket.
